

W.O.W. Adult Bible Study

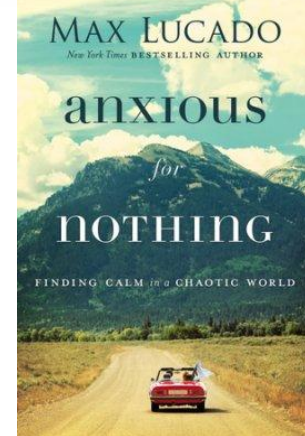

Wednesday, September 27th

Adult W.O.W. study is on anxiety. *Max Lucado* describes anxiety as a meteor shower of what-ifs. It is not the storm itself but the threat that one is coming. Americans are experiencing anxiety disorders in great numbers. In a given year, nearly fifty million Americans will feel the effects of a panic attack, phobias, or other anxiety disorders.

Come join us on **Wednesday nights** as we go through a study entitled *Anxious for Nothing*.

This study will **examine Philippians 4:6-9** helping us learn how to cope with anxiety and to live in the promise of God's supernatural peace.
